MY PASSION

IS SIMPLE.

As a child, I was sexually abused. Not until I was an adult did I realize how my exposure to music at an early age assisted in the healing process. Many abused children have expressed a heartfelt desire to involve themselves in the education of music as an outlet.

The Elevate Hope Foundation is committed to help meet the needs of these children. Join us as we dedicate a small part of ourselves to collectively give something monumental to our children. Be imitators of goodness as dearly loved children and live a life of love.

We have a responsibility to give of ourselves so that they can grow as healthy individuals. Only then do we truly understand our purpose as human beings. As CEO of the Elevate Hope Foundation, I know first hand the power of the arts. I am honored to provide and impart something tangible to the lives of these precious children. Please join us, for together we can give these children the fighting chance they deserve.

YOUR DONATIONS AT WORK

Instructor Sabur Karim introduces "Garage Band 101" to students

Elevate Hope Foundation (EHF) refurbished Vista Del Mar Child & Family Services' Music Center and introduced its first "Garage Band 101" session for selected students. EHF's H.I.P.P.'s (Hope's Initiative Pilot Programs) "Songwriters Symposium" has been implemented and conducted in conjunction with Vista Del Mar's Arts Enrichment Program.

Because of those who have supported EHF, programs such as this have become a reality. We hope that we can count on your support for future events and programs, as we work towards saving more lives through music and the arts.

From the bottom of our hearts, we would like to thank all the angels who have offered their support over the years.
