OUR HEROES BOWL FOR THE ARTS IN 2007

The cast of Heroes and angels alike enjoyed a great afternoon of bowling to support the Elevate Hope Foundation (EHF) and interact with 12 very special honorees from "Vista Del Mar Child & Family Services". It was an awesome experience for each student. Upon arrival, our honorees were escorted to their exclusive VIP room and served lunch, played video games, and were presented special gift bags. Prior to the games, the honorees were introduced to our celebrity guests, received autographs, and had photo ops with each. After the games, the honorees with the top scores were awarded prizes such as a Macintosh Laptop computer, iPod Nano, and more.

Vista Del Mar Child & Family Services

Vista Del Mar Child and Family Services, a nonprofit organization dedicated to the well-being and care of children and families in Southern California who suffer the emotional, physical, psychological and social consequences of abuse, neglect and abandonment.

Since February of 2007, Elevate Hope Foundation (EHF) has sponsored Vista Del Mar's Arts Enrichment Program's Music Center. As a result of EHF's fundraising initiatives, the existing music center has been refurbished with new Macintosh computer workstations, recording equipment & software, and musical instruments. To top it off the center was given a fresh look with new paint, paintings, and window dressings, all donated by EHF. "Garage Band 101" course began on July 7, 2008 for sixteen very anxious students. EHF will soon introduce H.I.P.P.'s (Hope's Initiative Pilot Program) "Songwriters Symposium" to start in the fall.
