CMA Construction Forms Filing Services

ABOUT CMA

Since 1883, Credit Management Association has provided tools to help member company credit departments grow revenue, reduce the cost of doing business, maximize cash flow and manage risk.

We do this by facilitating peer-to-peer networking, sharing customer and supplier information, providing professional development for credit practitioners, and offering an array of business credit services and resources.

CMA'S CONSTRUCTION LIEN SERVICES

Are you doing everything you can to preserve your company's lien rights?

CMA has more than 30 years of experience in construction forms filing. Our employees are experts in lien law provisions and work with attorneys who specialize in the construction industry. We make sure that your preliminary notices, mechanics liens and other construction forms are 100 percent accurate, complete, compliant and on time.

LIEN SERVICES INCLUDE

- Preliminary Notices and Mechanic's Liens in all 50 states, Canada and Guam
- Amended Preliminary Notices
- Intent-to-Liens
- Mechanics Lien Releases
- Stop Notices
- 90-day Notices
- Bond Claims (contractor bonds; federal, state and municipal projects)
- Construction Credit Report providing critical information about the credit worthiness of a construction customer

BENEFITS

- Excellent "live person" customer service
- No set-up fees or minimum orders
- 24 / 7 Online access
- Same-day service available for preliminary notices
- Expertise in property research
- Copies of processed documents available for your online viewing
